

# next stop BROADWAY **ACTIVITIES** DEPARTMENT 2020

**Spirit Rallies**– A weekly Friday event. *Every non-show week at 2pm in the Theater.*

An all out camp **pep rally** featuring performances *for campers by campers*. With all new integrated technology that brings the rallies to a new level of **extreme**. This year features brand new, exciting themes that are sure to make everyone feel like the **superstar** they truly are. Group winners of each rally will receive an ice cream party at lunch, in addition to a **V.I.P.** Activities party in their honor.

**Dress Up Days** – If it's a **Wednesday**, then it must be dress up day! This summer we present a fresh new batch of dress up day themes that are sure to **entertain** and **unite** the camp. All themes can be accessible through you and your family's closets! Two winners from each group will be chosen, and featured in the Spirit Rally, in addition to receiving a special certificate. The **wackier** & more **imaginative**, the better!

**Next Stop Broadway Talent Extravaganza**– Every Thursday before show day we will showcase the very best **talent** our campers have to offer. Campers will compete in an array of competitions throughout the session, and the winners will get to perform their pieces as an **opening act** on show night. Some of the competitions are as follows:

- **Next Stop Broadway Idol** – Like the popular TV show, this **singing competition** will start with an audition process open to all campers. You can audition as a *solo act*, a *duo*, or as a *group*. Throughout the session, the competition is narrowed down to one act representing each group, who will compete in the NSB Talent Extravaganza finale show.
- **Next Stop Broadway's Got Talent** – Musicians, magicians, dancers, and more! Each spirit rally and NSB Talent Extravaganza competition will feature performances **completely created by you**. Auditions will be held weekly during the Activities rotation.
- **Next Stop Broadway Film Festival** – Campers can submit 2-minute-or-less video's to be featured in our Spirit Rallies and Extravaganza. They can be filmed and edited at camp, and select pieces may be chosen to be shown before camp show nights!

**Show Week** – In order to combat the fatigue and stress of show week, the Activities Dept. presents a week of **fun games & entertainment** that will keep campers happy and pumped for the production. Camp classics such as *Pajama Day* & *Movie Day* will be featured this week.
