[CLICK HERE FOR DIGITAL AUTHORIZATION](#)

SPECIAL NEEDS: NSB requires families to include on the Medical Form any emotional or physical special needs their child may have. This information allows NSB to be sure the camper is getting the type of direction the child needs to have a successful time while at camp. NSB has the right to require a specially assigned attendant to those campers that may need appropriate support to be assured that all environments are accessible, and all activities are appropriate for the camper to accomplish. This special attendant is usually a NSB staff member hired exclusively for the camper at their family's expense.

DISTRIBUTION OF MEDICINE: There must be a signed authorization form in the NSB office prior to any camper being given any medication during camp time. These forms are available through the NSB Office.

SICK CHILD POLICY: No child will be admitted into camp with a fever of over 100.4. We request under no circumstance that a parent bring a child to camp if the child shows any signs of illness. Symptoms may include: fever, vomiting, diarrhea, sore throat, hacking or continuous coughing, consistent runny nose, swollen glands, rash, lice, or any other spots that resemble contagious diseases.

In the event a child complains about not feeling well during the camp day – the child will be sent to the office to be picked up, the parent(s) will be called and are expected to come pick the child up within one hour (60 minutes). If the parent(s) cannot be reached, or have not arrived within an hour, the emergency contact person will be called. The parent is requested to keep the child home until full recovery is apparent.

Be sure all campers have their show items (makeup, shoes, hair supplies, additional costume pieces) when arriving to camp the morning of the Show – parents will not see the campers until **after** the Show.

If your youth camper does not stay for the party, they must leave camp by 3:30pm and return hair and make-up ready by 5:00pm.

#9. SECURITY/SAFETY COMPLIANCE OFFICERS

The NSB Security/Safety Compliance Staff are trained and positioned out front daily to assist in temperature checking and enforce Safety protocol throughout the day. They keep our facility safe by greeting people and identifying visitors, giving directions, and redirecting individuals who are present in an unauthorized area. Working with NSB families is an important part of the security staff duties as they are there to help in a number of ways. These procedures are designed to protect our campers. Your cooperation & understanding is appreciated.

Late Arrival

If campers arrive on campus later than their assigned Pod time; parents/guardians must come to the Security Desk to sign them in. Their temperature will be checked and their Pod will be requested to escort the camper to their current classroom. For safety, parents/guardians may not go directly to the classroom.

Early Dismissal

Please note: For the safety of campers & pick up procedures, no child will be released later than 3:20pm.

If campers have to leave campus before the end of the day, parents/guardians must report to the Security Desk to sign their children out. For safety, the only place children can be met is at the security Desk.

ANYONE PICKING UP A CAMPER MUST HAVE A PICTURE ID WITH THEM AS THE SIGN OUT AUTHORIZATION WILL BE CHECKED UNTIL VISUAL IDENTIFICATION CAN BE ESTABLISHED. Students will be released only to those persons listed on the Sign-Out Authorization Form. If your child is to be released to another adult, permission must be given by the parent beforehand by calling the NSB Office at 954-344-5991.

#10. YOUTH CAMP DAY OVERVIEW

PODS: Campers stay safely separated into age-appropriate Pods throughout their camp experience. They will participate in fun & exciting curriculum designed and facilitated by their Pod's Instructors and a roster of visiting directors. Pods will be determined by campers age/birth date.

Shortly before the start of a session, families will be sent an email stating their campers pod placement, instructors, and group color.

What All Campers Need:

Attire:

Youth Campers should come to camp *everyday* wearing a mask (unless parents have signed the opt-out form), dressed in comfortable clothes suitable for dancing with closed rubber-soled shoes (**NO flip flops, sandals or Heelies**).

Teen students must always wear clothes suitable for dancing, and have an adequate pair of jazz shoes.

Nothing should be worn that is too tight, too revealing or too short. There can be no drug, violence related, or suggestive topics on clothing. Campers will be asked to call home to replace the non-acceptable items.

Gear:

All campers should bring bottled water with them daily. FYI: NSB souvenir water bottles are available for purchase online through our Merch Shop. They should bring a lunch if they have not purchased the lunch program. Snacks or money to buy snacks is also recommended.

A backpack or bag is also necessary to hold their personal belongings and class work. They should have a mask, tissues, hand sanitizer and water bottles with them every day.

Show days:

Campers should come dressed in light-colored clothing able to easily dress over (gym shorts, tank top) so they feel comfortable changing in and out of their costumes. They should keep all their valuable items (electronics, cash, jewelry, etc.) at home. Please be sure all our campers have all their show items (makeup, shoes, hair supplies, needed costume pieces, and proper undergarments) with them when they arrive at camp the morning of the Show. All youth campers should be wearing rubber-soled shoes.

All campers must have their own hair and make-up supplies.

What the Camper Does at the Youth Camp:

The Youth Camp is divided into age-appropriate Pods. The Pods have special daily curriculum which is designed and facilitated by their Pod's Instructor. During their schedule they are visited by the Show's Production team which enforces their Pod's individual show's participation (includes singing, dancing, and character development). They are also visited by the Activities Director who facilitates all events and activities outside of the musical production. This includes tasks for Spirit Rallies, Dress Up Days, NSB Idol, etc. The Pods also safely rotate to the theater and lunch area.

Campers attend a variety of FUN classes. These classes focus on preparing the campers to perform in their full-scale Broadway style show. Each session the campers focus on a new show, which means the style of technique changes in each class. The teachers use the shows as a vehicle to teach the campers a variety of performing styles. Campers are constantly active, learning, and participating in every class.

Youth Camp Rotating Instructors:

Music:

Each Pod will practice the basic elements of singing, rhythm, simple music reading as well as ear training. Each Pod in the youth camp rehearses two songs per production.

Dance:

The style of dance technique taught is dependent on the style of each specific show. Talented dance instructors visit each Pod individually to teach dance techniques and choreography.

Acting:

A cooperative learning environment where campers learn about the important skill of acting and improvisation. Performers learn how to stay in the moment on stage and in character at all times. Life skills acquired are cooperation, quick thinking, creative imagination skills, and minimizing the fear of rejection.

Activities:

This is a time for promoting team togetherness. Every week, ***Spirit Rally*** activity is rehearsed, developed and coordinated during this rotation. ***NSB Idol*** and ***NSB's Got Talent*** competitions are also facilitated within this class time. The winners of these competitions perform as our pre-show talent. **Dress up Days** on Wednesdays are also an awesome part of this class! ***For more specific information visit the NSB website.***

Youth Camp Rotations:

Theatre:

All Pods sit in the audience in rows exclusively for them. Assigned seating limits the transference of germs. No show goes on without rehearsals. This period will focus on the staging of the show. Campers discover their characters and many other techniques of acting.

Production Arts:

This activity takes place outside in a tented area where the campers take a hands-on approach to their own production. The youth campers are responsible for the decoration of most of their costumes. Age-appropriate individual costuming activities for each Pod bring their shows to life.

Lunch:

Pods rotate to the tented area in the courtyard where they are socially distanced, sitting comfortably at large tables. This rotation is about 20 minutes long allowing just enough time to eat and clean up. We ask for help from our families to talk to the campers and their Pod Assistants about any particular food/allergy concerns.

There is no microwave at The Center so do not plan to send anything that must be heated.

Snack Intermission:

2 times per day / one morning and one in the afternoon depending on pods' lunch schedule. **Be sure to bring a daily snack(s) or money to purchase them - \$2/each CASH ONLY.**

Morning Snacks are available for purchase upon arrival in the Courtyard. Afternoon Snacks are available for purchase during lunch rotation.

NO GUM, lollipops, powdered or gooey snacks or anything that requires special attention.

#12. CAMPER ETIQUETTE

Etiquette = Expected Behavior:

- Follow all safety protocols such as wearing a mask (unless families have opted out), taking your temperature, and sanitizing your hands daily. Do not come to camp when the camper or anyone in the family is ill.
- Be respectful to the facility and the people. The Center is a professional facility and must be recognized as such. Never touch anyone or anything with intent to do harm.
- Be kind to your fellow campers. Keep your negative attitudes to yourself. Avoid a display of temperament. Be patient and pleasant. Don't criticize others.
- NSB is committed to enforcing a **NO BULLYING ENVIRONMENT**. Bullying, harassment, or discrimination will not be tolerated and will be just cause for disciplinary action.
- Bullying, including "cyberbullying" means systematically & chronically inflicting physical hurt or psychological distress on one or more campers. It is further defined as; unwanted purposeful, written, verbal, nonverbal, or physical behavior, including but not limited to any threatening, insulting, dehumanizing gesture by an adult or child, that has the potential to create an intimidating, hostile, or offensive environment.
- Bullying may include but is not limited to: teasing, social exclusion, threat, intimidation, stalking, physical violence, theft, radical, religious or sexual harassment, public or private humiliation, and destruction of property.
- Always be prepared to work. Be sure to be wearing the proper clothes and footwear. Absolutely **NO FLIP FLOPS, SANDALS OR HEELIES** are allowed at this facility; they do not protect your feet and can result in injuries. Campers will be asked to call home to get the required footwear if this rule is not followed.
- Have all your needed work (pencils, scripts, painting shirts, tape recorders, bottle of water, etc.)
- Never leave your group alone. When you are changing classes always stay together in your group. At dismissal, exit the building with your Pod and stay together as you travel outside.
- If you are injured tell your instructors, assistants, or interns immediately.
- Help yourself stay safe. Do not run, climb or fool around which could result in injuring yourself or anyone else.
- Never throw anything unless instructed by your teacher to do so.

- Absolutely **NO GUM** is allowed at this facility. **THIS IS A NO GUM ZONE!!**
- Clean up after yourself. If you are done with it, throw it away. If you dropped it, pick it up. If it is yours, it is your responsibility.
- **Do not bring valuables with you (small electronics, excess amounts of money, expensive jewelry, iPad's, etc.) The Center is not responsible for lost items.**
- **Camper's cell phones should not be used during valuable class time – if they are used continuously the phones will be confiscated and put in the NSB office for retrieval at the end of the day.**
- If it's not yours, don't touch it. Leave equipment, props, costumes and materials in their proper places. If you break it you are responsible for it.

DISCIPLINE:

Our policy is in the belief that the majority of campers can be redirected into a more appropriate behavior in each situation. Our staff is instructed in positive reinforcement and redirection techniques. When a camper seems not to be responding to redirection and disruptive behavior continues it can result in that camper being asked to sit out of the class and not participate until behavior improves. If the improper attitude continues, the camper will be escorted out of the class and sent to the NSB Office for an appropriate period of isolation time. If this continues to happen the parent will be notified. The third **major** infraction can lead to the camper being expelled from the program with no refund of tuition given. Harmful behavior to himself/herself or any other individual will not be tolerated and can lead to immediate dismissal with no refund for tuition given.

#13. DROP OFF & PICK UP

TEEN THEATRE PROJECT: All teens will be dropped off & released from the circular drive. Campers who drive themselves must park in the front parking lot only.

YOUTH CAMP:

In order to avoid difficulty in dropping off and picking up children we are asking for your help, assistance and cooperation. Our common goal is to ensure your child's safety. By following the guidelines and procedures listed below, you will be helping us tremendously in achieving this goal. These are the same goals and procedures set forth by Broward County Schools.

	POD 1: Red	POD 2: Orange	POD 3: Yellow	POD 4: Green	POD 5: Blue
ARRIVAL	8:40 AM	8:50 AM	9:00 AM	9:10 AM	9:20 AM
DISMISSAL	3:40 PM	3:50 PM	4:00 PM	4:10 PM	4:20 PM

**Siblings can arrive and dismiss at the same time as per family's need.*

FOR THE SAFETY OF OUR CAMPERS AND STAFF, CELL PHONES ARE NOT ALLOWED TO BE USED IN THE CAR LINE!

- Only allow your children to exit and enter your vehicle on the curb side. Please do this as quickly as possible so that we can keep the flow of traffic moving.
- Never leave your vehicle while in the car pick-up/drop off area. **If you need to park, please pull into a parking space.**
- Never ask your children to walk in front of vehicles while in the car pick-up area.
- **For your child's safety and to maintain the flow of traffic, a sign with your child's name and color group should be prominently displayed on the front dash of the pick-up vehicle.**

AM DROP OFF:

As per CDC Protocol, each Pod must stay diligent to their arrival time. The Center opens the doors at 8:40am. All arrivals earlier than that time must be placed in the Pre-care System and follow their procedures.

- **Please drive through the loop slowly as people are continually crossing the street from the parking lot to the facility.**
- Upon arrival, please pull to the end of the drive, or up to the car in front of you.
- **PLEASE REFRAIN FROM USING YOUR CELL PHONE / TEXTING WHILE IN THE CAR LOOP.**
- DO NOT EXIT the car; your child should be the only one exiting. There are attendants out front to assist each child.
- Your child should exit the car from the passenger side of the automobile.
- Please refrain from conversations as this is the time to drop off only; if you have a concern, or need to assist your child with

something (i.e. lunch money, carry large items, visit Box Office, etc), please park in the lot – DO NOT remain in the car loop as this stops traffic.

- Do not weave in and out of the lanes unless directed to do so – this will eventually end up in a collision.
- After your child exits, please exit the car loop in a safe fashion and have an excellent day.

PM PICK UP:

Each POD has a designated pick-up **time** and **area**.

Please refer to the map on Page 8

- **Please come at your camper’s designated TIME and follow the signs for the designated pick-up AREA.**
- Please drive through the loop slowly and **have your Camper’s Name & POD/Color Sign displayed on passenger window.**
 - **If you do NOT have a sign – your ID must be checked** and you **MUST** pull out of the line to the designated ID check area.
 - **BE SURE TO HAVE A PHOTO ID** as the Release paperwork will be checked until visual identification can be established. No Camper will be released with anyone not listed on the Release Form. If your child is to be picked up by someone not listed prior permission by the Parent/Guardian is required. After ID is checked your child will be released to your care.
- If you are picking up more than one camper, pick up all your campers where the youngest camper is stationed – have the older camper(s) wait with the younger camper(s).
- Upon arrival, please pull up to the end of the drive, or up to the car in front of you.
- **PLEASE REFRAIN FROM USING YOUR CELL PHONE / TEXTING WHILE IN THE CAR LOOP**
- **Do not exit your car;** we will assist your child when you pull up to the loading zone
- Please refrain from conversations as this is the time to pick up only; if you need to speak with a staff member, please park in the lot – DO NOT remain in the car loop as this stops traffic.

- DO NOT PARK IN THE CIRCULAR DRIVE OR IN THE FIRE LANES - VIOLATORS MAY BE TICKETED. Please understand this creates an unsafe situation for everyone.
- Please be courteous to all other drivers – follow the signs, use caution, and drive safely.
- After your child enters the car, please make sure they put on their seatbelts.
- Exit the car loop in a safe fashion and have an excellent day.
- **If your camper is registered in the Aftercare system** you must either call the NSB Office before 3:30pm to request your child be brought out to the Pick-Up Line or wait until after 4:45pm to pick up your child thru the security department.

PEDESTRIAN PICK UP IS STRICTLY PROHIBITED:

- CDC and DCF have strict guidelines on distancing all outside people from the campers. **Everyone must stay in their vehicles when picking up campers.**
- Trust us when we say the fastest and safest way to pick up your child is to drive thru the pick-up line. After the first few days of driver training, the line moves quickly and effectively.

ALTERNATE RAIN PICK UP:

- **If it is raining during pick up time, all youth campers will be released from the circular drive under protection only.**
